

2018 Dumpster/Landfill Reimbursement Consideration

In order to assist large, on-water group cleanup efforts planned for May 2018, who wish to utilize dumpsters for their events, a reimbursement of up to \$400 per dumpster will be provided to groups who apply in advance, meet the criteria, and are approved for reimbursement by the Take Pride in SML Oversight Committee. A total of up to 10 dumpster/landfill reimbursements may be approved overall. Requests will be considered on a first come, first served basis.

Guidelines:

Up to one dumpster/landfill fee will be considered per community group/organization who organizes a cleanup event. Only one reimbursement will be considered per group/organization.

Up to two dumpsters/landfill fees will be considered per commercial business/marina who organizes a cleanup event. Only one reimbursement will be considered per commercial business/marina.

Criteria:

The following criteria must be met for an event/group to be considered for this reimbursement:

- Dumpster(s) will be utilized solely for on water debris
- Must have no less than 15 participants in your group
- Request shall be made no later than **May 4, 2018**
- Request must be approved by the Take Pride in SML Oversight Committee in advance (approval will be in writing)

Reimbursement:

Upon completion of the event, the event captain shall submit reimbursement request by providing the following to the Take Pride in SML Oversight Committee (please submit at the TLAC office):

1. Paid invoice from dumpster contractor
2. Paid invoice from landfill with dumpster tonnage and charges circled
3. Picture(s) of the group at work (may be used for press releases)
4. Picture of filled dumpster (prior to being taken to landfill)
5. Copy of approved Reimbursement Consideration Form
6. Final day for submission of reimbursement is Wednesday, **June 8, 2018**

Additional Instruction:

Groups should not remove docks or large trees during their cleanups. Instead, they should contact TLAC at 721-4400 and report the location of the dock/tree. TLAC will report the dock/tree to Appalachian Power Company and ask that they remove the dock/tree.
