

Take Pride in Smith Mountain Lake 2021 Final Debris Collection Data Report

From: Tri-County Lakes Administrative Commission, Smith Mountain Lake Regional Chamber of Commerce, Smith Mountain Lake Association

Phone: 540-421-4400 / Email: tlac@sml.us.com

Event Information

Date of Cleanup: Held from May 1, 2021 through May 31, 2021

Number of Individuals to participants (Adults/Children if possible): 166

Estimated Number of Miles Covered for Clean Up: 48.5 miles

*Estimated Pounds of Trash Collected: Approximately 32,534 pounds (16.27 tons)

Estimated Number of Bags Reported: 190 trash bags

Most Unusual Items Picked Up:

39 ft. tree, paddle boat, gas can, Taylor Tuff buoy, toilet seat, auto tire with rims, cigarette lighters, lumber with carpet attached, dock material, flipflop

***Note:** Estimated Pounds of Trash Collected include trash bags, plus loose debris collected from the lake.

A modified version of the Take Pride in Smith Mountain Lake was held this year. Debris collection supplies were provided to individual groups that planned their own events.

Only 16 of the 18 events submitted debris collection reports. This data was compiled from these submissions and information provided by the dumpster vendors.
