

Take Pride in Smith Mountain Lake 2022 Final Debris Collection Data Report

From: Tri-County Lakes Administrative Commission

Phone No./E-mail: (540) [721-4400](tel:721-4400)/tlac@sml.us.com

Event Information

Date of Cleanup: Held from May 1, 2021 through May 31, 2021

Number of Individuals to participants (Adults/Children if possible): 128

Estimated Number of Miles Covered for Clean Up: 25.43 miles

*Estimated Pounds of Trash Collected: Approximately 8,615 pounds (4.31 tons)

Estimated Number of Bags Reported: 125 trash bags

Most Unusual Items Picked Up:

Lawn chairs, sign post, boat bumper, boom box

***Note:** Estimated Pounds of Trash Collected include trash bags, plus loose debris collected from the lake.

A modified version of the Take Pride in Smith Mountain Lake was held this year. Debris collection supplies were provided to individual groups that planned their own events.

We had a lot of rainy weekends during the 2022 clean up which may explain why out of 26 registrations 4 did not pick up supplies, and only 12 Debris Collection Reports were received.
